

Since 1969

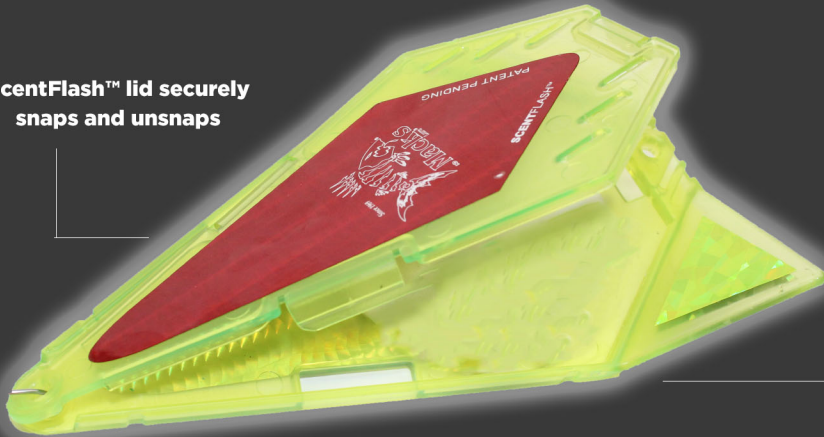

MACK'S LURE INTRODUCES THE ALL NEW

SCENTFLASH™ UV TRIANGLE FLASHER

The ScentFlash™ is an 8" high UV in-line spinning flasher featuring a patented scent release system. Simply unsnap the ScentFlash™, apply scent, and snap into place. The ScentFlash™ will release scent through the water, attracting fish with scent and flash. Scent pads sold separately.

ScentFlash™ lid securely snaps and unsnaps

8" FLASHER
